On contact information tab, you will be asked to add your contact no and valid email address.

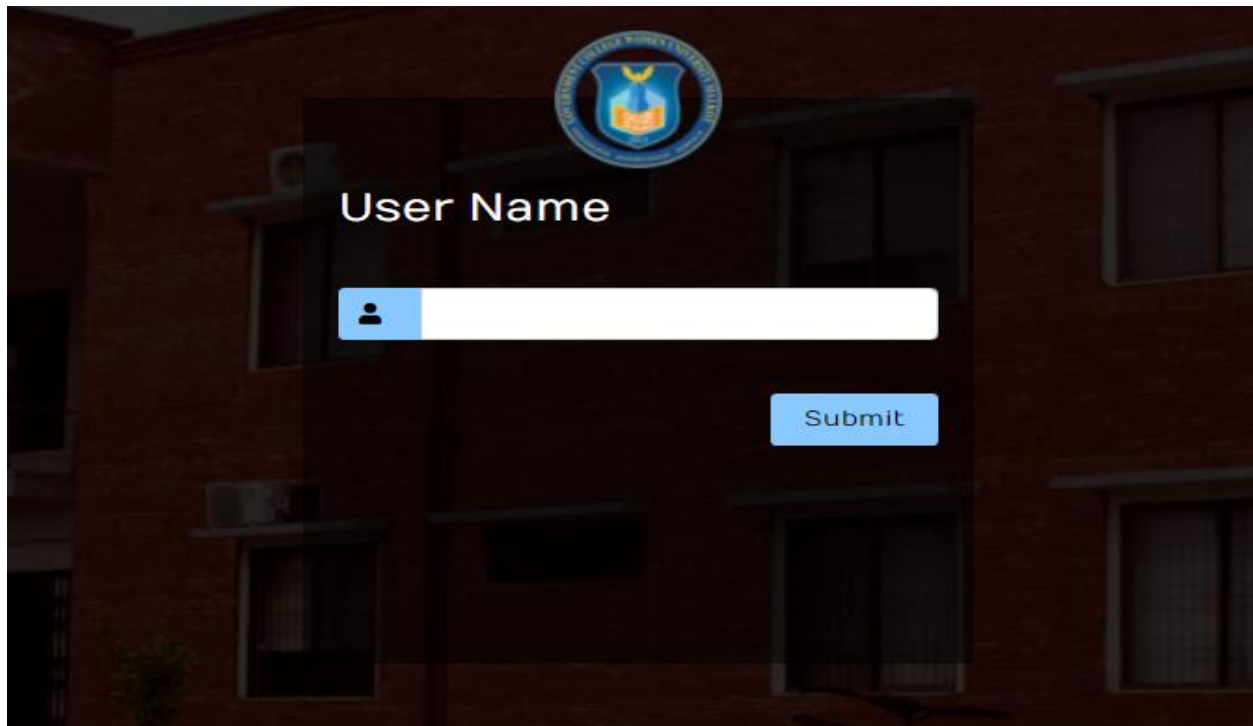

**Please note contact no and email address should be correct as they will be used for password recovery*

Password Recovery

To reset your password, click on the [Forgotten Password](#) button/link.

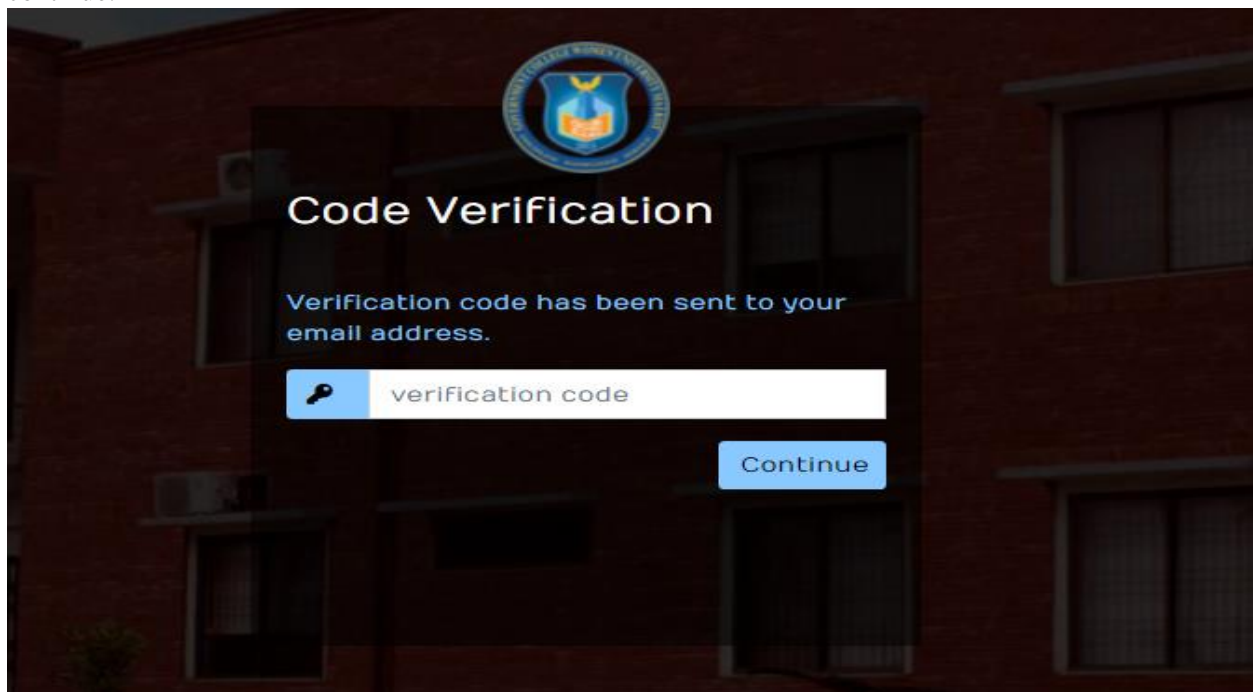

Enter your username (registration no will be username for the students and **CNIC** will be username for the faculty members). Click on submit button and the system will redirect you to verifications screen.

The image shows a login screen with a dark background featuring a brick building. At the top center is a circular logo with a blue and yellow emblem. Below the logo, the text "User Name" is displayed in white. Underneath is a white input field with a blue icon of a person on the left. To the right of the input field is a blue button labeled "Submit".

After this an Email with a verification code will be send to your email address (email which was provided at first time login on contact information). Enter the code in the **verification code** field and click on continue.

The image shows a verification screen with the same dark background and logo as the previous screen. The text "Code Verification" is displayed in white. Below it, a message in blue text says "Verification code has been sent to your email address." Underneath is a white input field with a blue icon of a key on the left and the placeholder text "verification code". To the right of the input field is a blue button labeled "Continue".

System will verify the code you entered and if you have entered the correct code, then the system will redirect you to new password screen. Enter here your new password, then you will be redirect to the dashboard.

Change Password:

To change password, click on an “arrow,” on the top right of the screen, and menu will be drop down, click on “Change Password”.
